## ABOUT ME

I'm Md. Rakibul Islam Rakib from Dhaka, Bangladesh. I hold a diploma in computer science engineering from a reputable private polytechnic institute. I am a dedicated, self-motivated, and reliable professional with 5 years of experience as a system engineer. I excel at working under pressure, both independently and as part of a team. My expertise includes CCTV surveillance, queue management systems, time attendance systems, structured networking and cabling, VMS systems, archway gates and metal detectors, parking barrier systems, fire systems, as well as Mikrotik and Cisco switch and router configurations. I am highly adaptable to challenging situations and committed to meeting deadlines efficiently.
